**SECTIONS
AFFECTED: 430-05-55-40 Shelter Costs**

On February 7, 2014, the Supplemental Nutrition Assistance Program (SNAP) was reauthorized as part of the Agricultural Act of 2014. Regulations reflecting revisions to SNAP policy associated with the Standard Utility Allowance deduction based on receipt of LIHEAP are as follows.

Effective with all new applications and reviews received on or after May 1, 2014, **households who do not incur heating and/or cooling costs** will no longer be allowed the standard utility allowance (HLSU) based on indicating on the application or review that they intend to apply for LIHEAP. The question on page 4 of SFN 405 which states, "Do household members plan to apply for heating assistance (LIHEAP)?" has been removed. It has also been removed from the SFN 407.

In addition, **households who do not incur heating and/or cooling costs** must have received a LIHEAP renter/heat paid benefit of greater than \$20 in the current or prior 12 months. At application and review receipt of LIHEAP renter/heat paid benefits of greater than \$20 must be verified.

Policy at 430-05-55-40 section (a) Standard Utility Allowance (HL SU) is revised as follows:

a. Standard Utility Allowance (HL SU):

The following households are entitled to the Standard Utility Allowance (HL SU on the EXSA screen) of \$590 which includes all utility expenses:

- Households responsible for heating/cooling costs. Receipt of LIHEAP and Tribal LIHEAP based on incurring heating costs verifies entitlement to the HLSU.

~~or in receipt of LIHEAP including Tribal LIHEAP or renter/heat paid benefits are entitled to the full Standard Utility Allowance (HL SU on the EXSA screen) of \$590.00 which includes all utility expenses.~~

- Households who have received LIHEAP renter/heat paid benefits greater than \$20 in the current or prior 12 months. Receipt of LIHEAP renter/heat paid benefits of greater than \$20 must be verified and documented.

NOTE: Receipt of LIHEAP is considered known information to the county. Workers are required to monitor when a household receives renter/heat paid benefits greater than \$20 in the current or prior twelve months that would entitle the household to the HLSU.

Examples:

- 1. Household applies for SNAP on May 1. Worker verifies the household has been receiving LIHEAP renter/heat paid benefits of \$35 per month since October 1. The household is entitled to the HLSU.**
- 2. Household applied for SNAP and LIHEAP on May 1. The household is only eligible for one LIHEAP renter/heat paid benefit of \$11 which is paid on May 20. The worker approves the SNAP application May**

27. The household is not entitled to the HLSU because they have not received at least \$20 in renter/heat paid benefits.

- 3. Household applies for SNAP and LIHEAP on May 1. Worker determines the household is eligible for Renter/Heat paid benefits from October 1st through May 31. LIHEAP benefits of \$280 are paid to the household on May 20th.**

The SNAP application is approved for May and June on May 15th and the household is certified for six months. The household is not entitled to the HLSU for May or June. Once the LIHEAP payment has been paid, the household is entitled to the HLSU, and SNAP benefits must be increased for June. (Processing a SNAP application should not be delayed pending receipt of a LIHEAP payment).

~~Households planning to apply or those who have applied for LIHEAP are entitled to the HL SU.~~

~~Exception:~~

~~If the worker knows the household is not eligible for LIHEAP, the HL SU cannot be allowed. This must be documented in the case file.~~

~~If a household received LIHEAP benefits in the last heating season and its circumstances have not changed, the worker can anticipate that LIHEAP benefits will be received in the next heating season and the HL SU must be allowed.~~

~~If a household received LIHEAP benefits in the last heating season, moves to a new residence where they have no heating/cooling costs, and are not eligible for a renter/heat paid benefit, the household loses entitlement to the HL SU.~~

~~If a household did not receive LIHEAP last year (either did not apply or was not eligible), and the worker can anticipate eligibility for LIHEAP for the upcoming season, the household is entitled to the HL SU.~~

~~When the cost of heat is included in the rent and the household is entitled to LIHEAP renter/heat paid benefits, the household is entitled~~

to the ~~HL SU~~.

Any households that have central utility meters and are charged only for excess heating or cooling costs are entitled to the HL SU year round.

Households that are charged only for excess heating or cooling costs are entitled to the HL SU year round.
